Mine Planning Masterclass
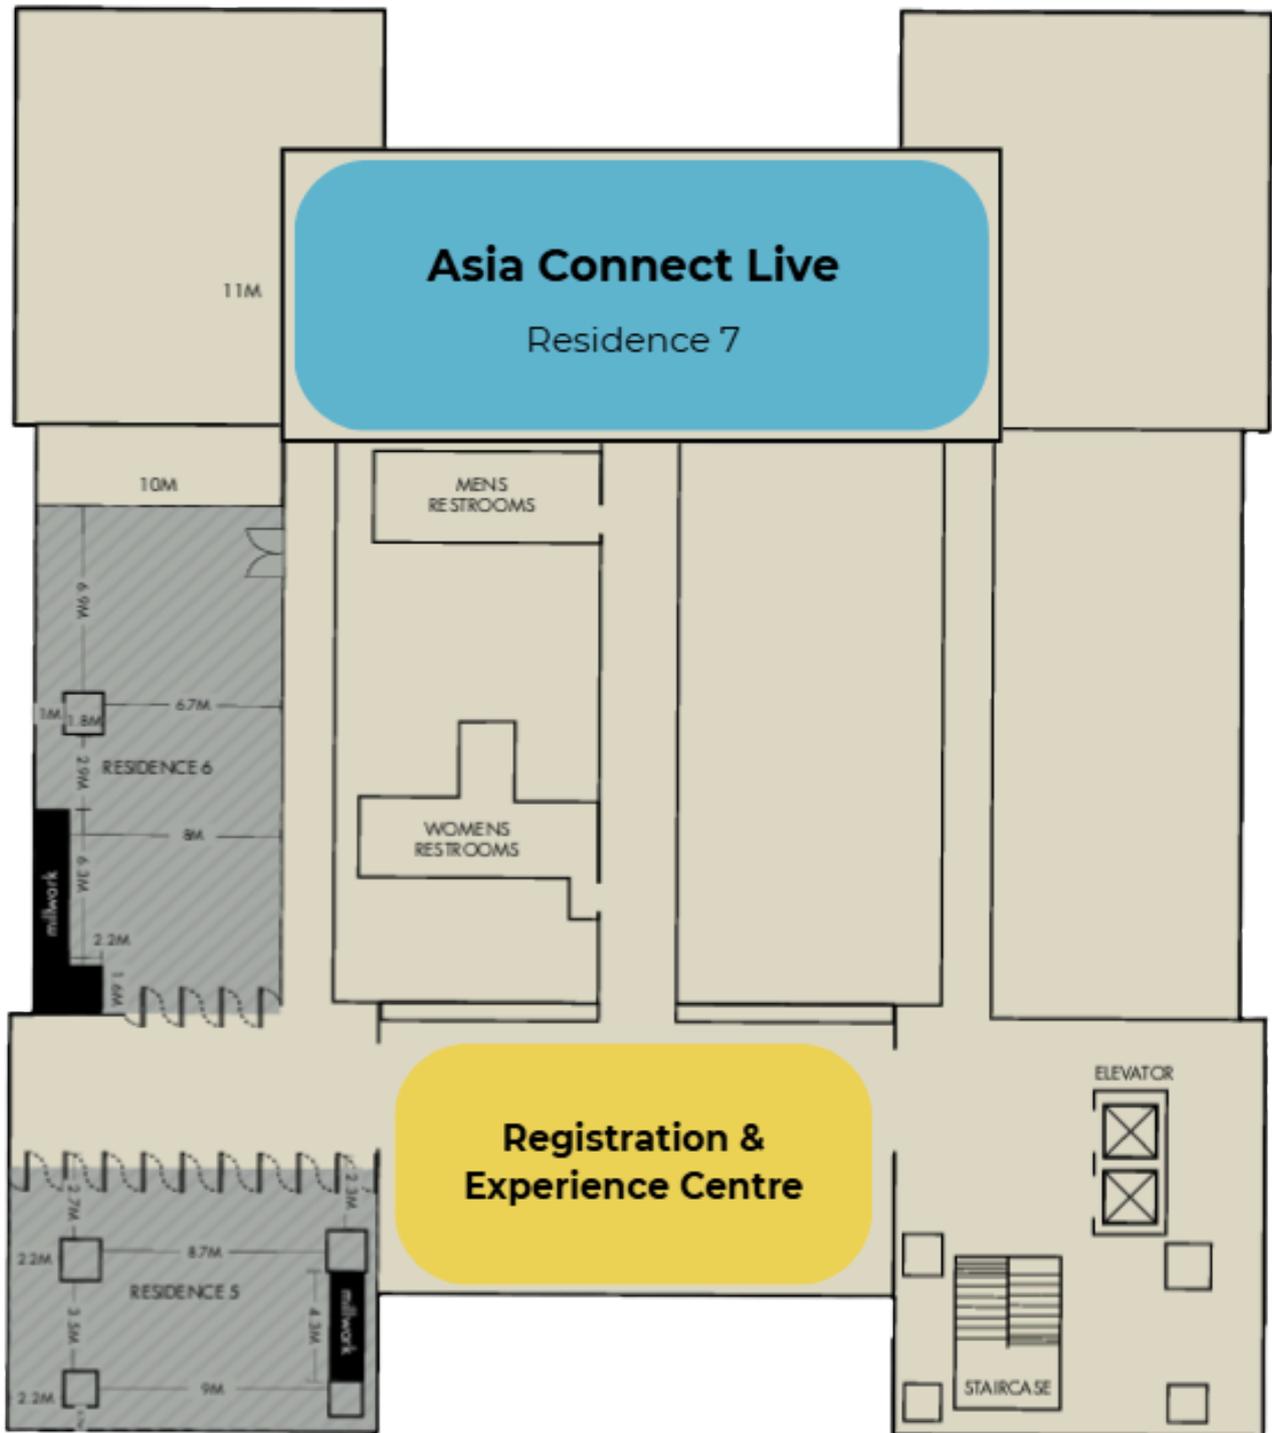

Asset Management Masterclass

Welcome

Welcome to **Asia Connect Live 2026**. We're delighted to have you join us for two days of learning, collaboration, and connection with the RPMGlobal community. Across the event, you'll hear from customers and RPMGlobal experts sharing real-world experiences, product insights, and best practices across mine planning, scheduling, and asset management.

We hope you enjoy both days of the program, including our day 2 **Masterclasses**, designed to deliver practical learning you can take back to your operations.

Thank you for being part of Asia Connect Live - we look forward to a great event together.

Activites

Connect & Create!

Piece by piece, you'll collect LEGO from each booth in the **Experience Centre** - AMT, MinePlanner, XECUTE, XECUTE FleetPlanner and XERAS - and **build your own RPMGlobal Connect momento**.

When your build is complete, visit the registration desk to claim your token for the RPM Prize Hauler machine.

RPM Prize Hauler

Complete your build, collect your token, and put your mining instincts to the test in the **RPM Prize Hauler**.

Load in your token and see if you can "excavate" your prize from the machine!

Connect & Capture!

Be sure to stop by our photo booth, strike a pose, and connect & capture a moment from Day 1 of Asia Connect Live.
