

RPMGLOBAL

ASSET MANAGEMENT MASTERCLASS

21st August 2024 | The Langham, Jakarta

- EVENT AGENDA -

Unlocking Efficiency and Sustainability with
AMT: Your Dynamic Lifecycle Costing Solution

Asset Management Strategies

Exclusive Product Insights

Networking Opportunities

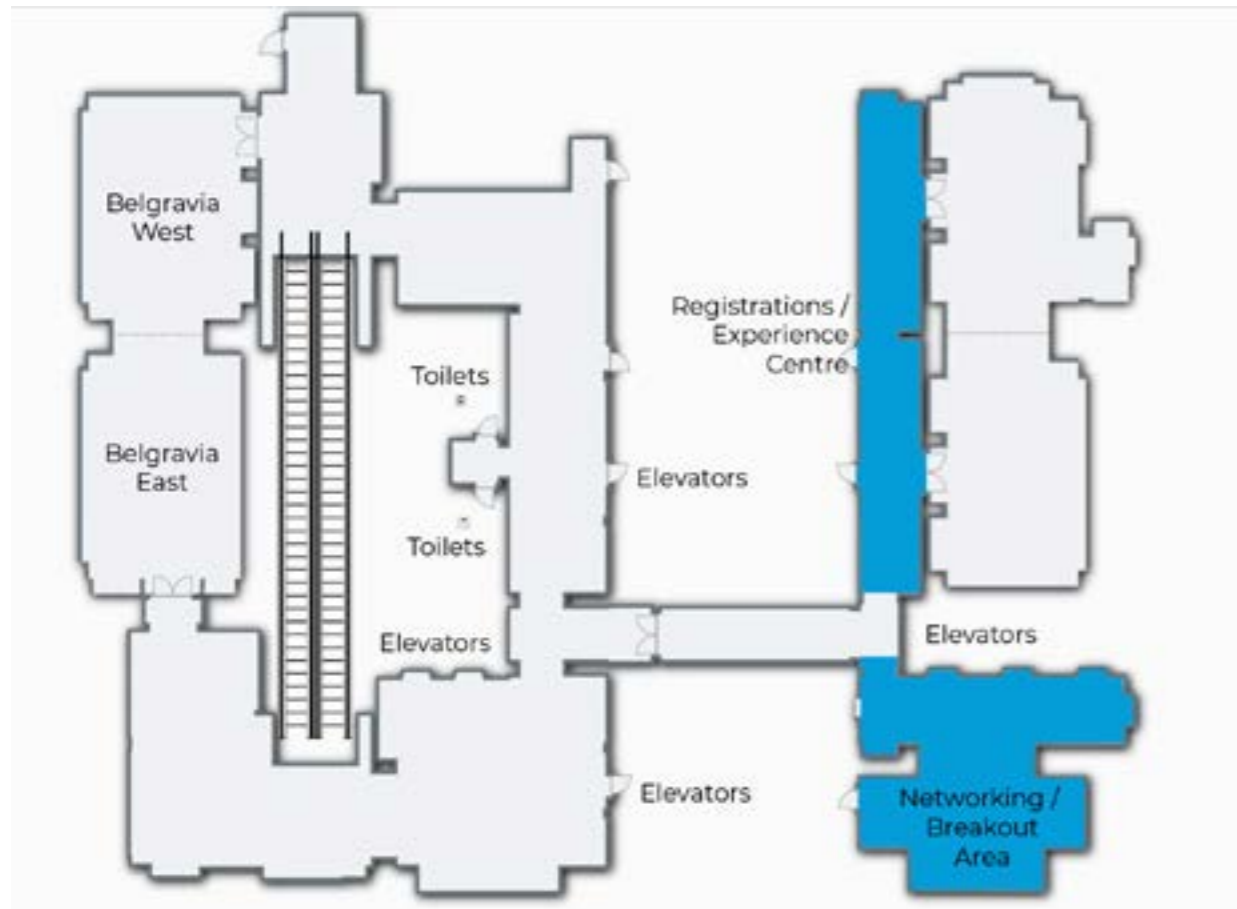

Welcome

Welcome to RPMGlobal's Asset Management Masterclass, with this year's theme, Unlocking Efficiency and Sustainability with AMT: Your Dynamic Lifecycle Costing Solution. We're thrilled to have you with us for a day of engaging and informative sessions led by our team of asset management and software experts.

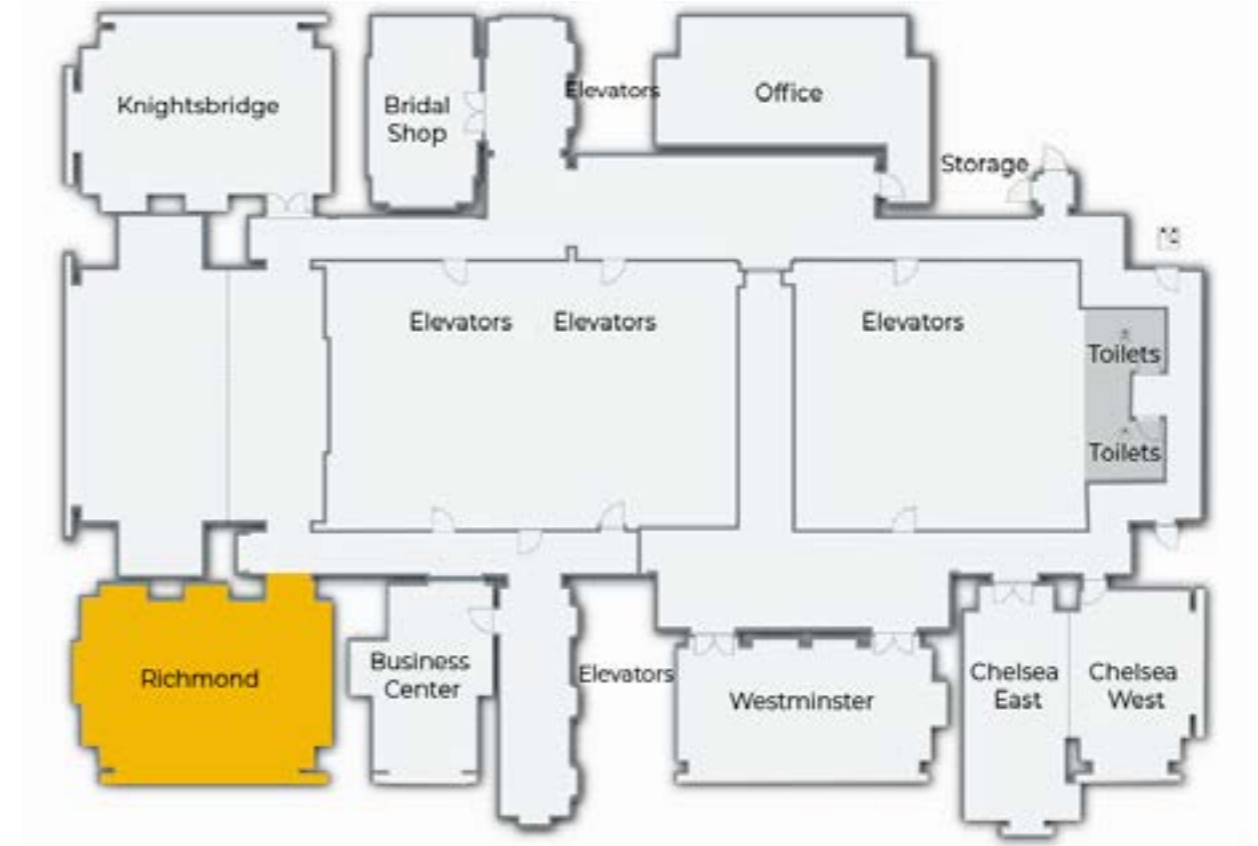

Together, we will dive into a range of Asset Management and Inventory Optimisation topics, focusing on strategies to elevate efficiency across all stages of your mining operations. Additionally, we'll explore our comprehensive Software Suite, demonstrating how it can drive transformative results for your business.

Site Map

Please find our Registration Desk, Experience Centre, and Networking/ Breakout areas on Level 2.

The Asset Management Masterclass is located on Level 5 in the Richmond Room.

LinkedIn Competition:

We are excited to give you an opportunity to win an Apple Watch with our LinkedIn Competition:

1. Snap an eye-catching photo during the event
2. Craft a compelling caption to accompany your photo
3. Mention RPMGlobal in your post
4. Share your post with your network

The winner will be revealed on August 30th. To win, ensure your photo garners the highest number of likes by capturing and sharing the standout moments from the event.

RPMGlobal Experience Centre Competition:

Be sure to visit our product booths to get your activity card stamped for your entry into the Major Door Prize. Details on this can be found on page 9.

-

Experience Centre

We're excited to have you explore our 'RPMGlobal Experience Centre', where you'll have the opportunity to engage with our cutting-edge solutions first-hand and connect with our experts and product managers.

Here's how it works:

Visit our Product Booths: The Experience Centre features dedicated booths for each of our key solutions: AMT, MINEPLANNER, XECUTE, and RPM Connect. Each booth is designed to give you an in-depth look at our offerings and allow you to interact with our specialists.

Complete the Activities: At each booth, you'll find engaging activities that showcase the capabilities and benefits of our solutions. Participate in these activities to learn more and earn your stamps.

Get Your Activity Card Stamped: Collect a stamp on your activity card from each booth you visit. Make sure to complete all activities to qualify for the prize draw.

Enter the Prize Draw: Once you have all your stamps, drop your completed activity card into the prize draw box. The draw will take place during the afternoon networking session, where one lucky winner will be announced and awarded the major door prize!

We encourage you to take full advantage of this opportunity to explore our solutions and connect with our team. Enjoy the experience and good luck in the prize draw!

AMT Mobile:

- Complete a checklist in the AMT Mobile app.

MinePlanner:

- Perform a task in SDM
- Edit a strip line in MinePlanner - Steep Coal

XECUTE:

- Download the XECUTE Mobile app on your device.
- Create and schedule an activity area in XECUTE.

RPM Connect:

- Visit the RPM Connect Booth and successfully sign up to RPM Connect.
