21st August 2024 | The Langham, Jakarta

- EVENT AGENDA -

**Efficiency Redefined, Maximum Result: Take
Your Mining Operations to the Next Level**

Industry Case Studies

Exclusive Product Insights

Networking Opportunities

Welcome

Welcome to RPMGlobal’s Indonesia Connect Live 2024, with this year’s theme, Efficiency Redefined: Maximum Results—Take Your Mining Operations to the Next Level! We’re thrilled to have you with us for a day of engaging panel discussions and informative sessions led by our team of software experts and product managers. Together, we will dive into a range of Mine Planning and Scheduling topics, focusing on strategies to elevate efficiency across all stages of your mining operations. Additionally, we’ll explore our comprehensive Software Suite, demonstrating how it can drive transformative results for your business.

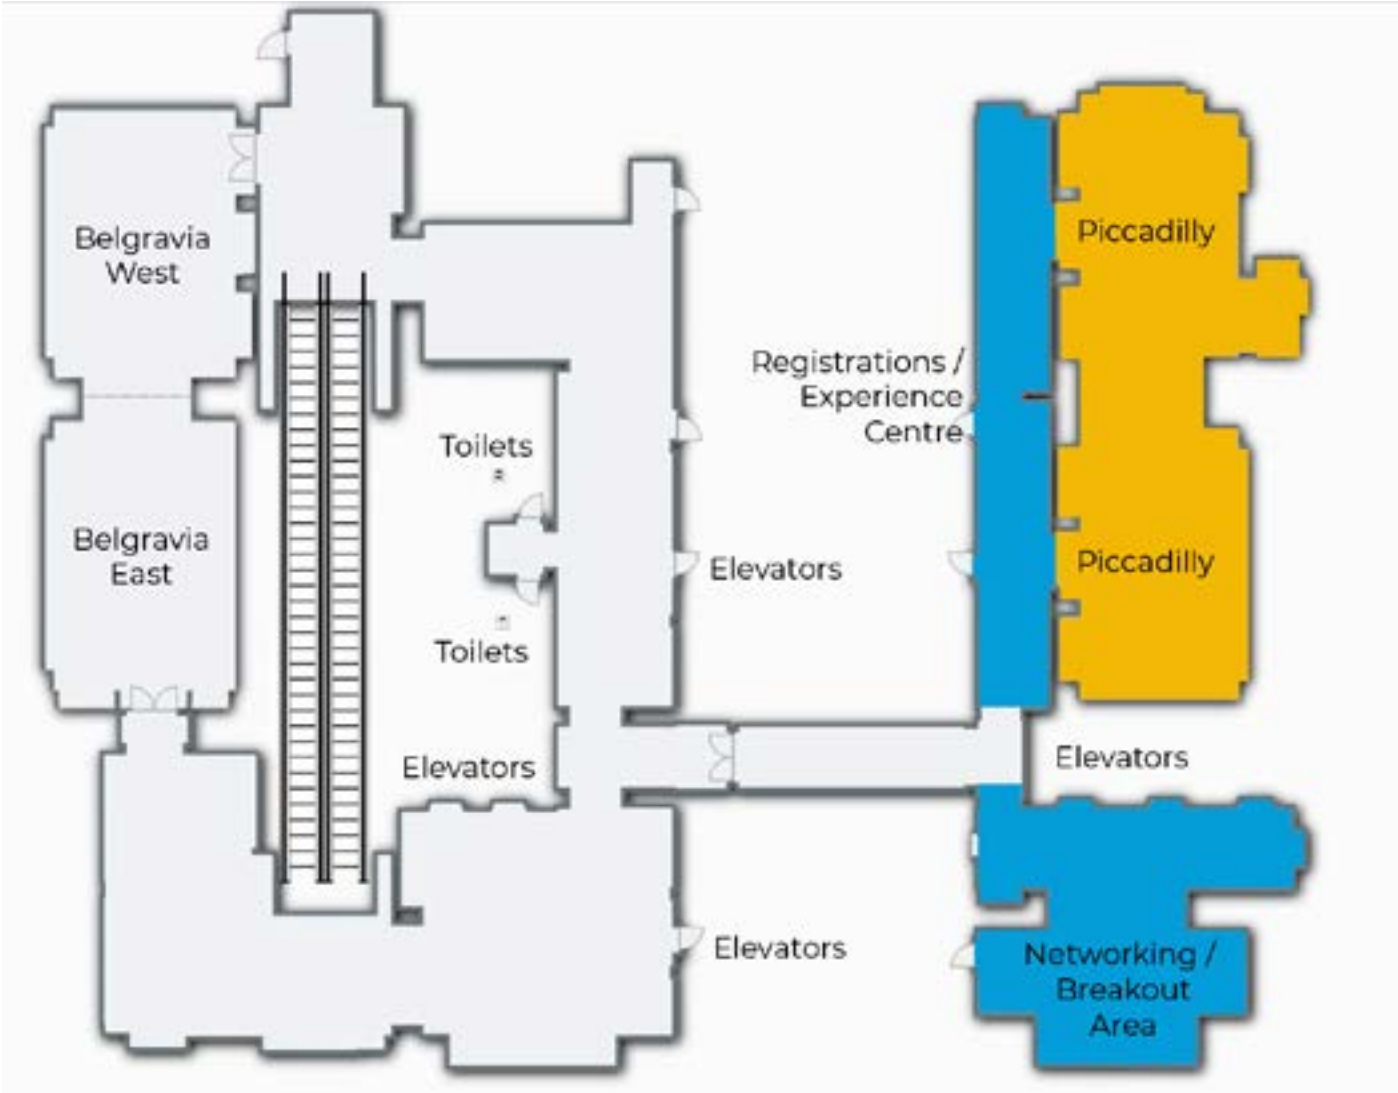

Client Partners

Thank you to our Client Partners for sharing their time with us, and for their continued support. We look forward to hearing from them during today’s sessions, check out who will be joining us below:

Site Map

You will find our Indonesia Connect Live 2024 on Level 2 of The Langham, located in Piccadilly Room. Please ensure you check-in at the registration desk before entering the event.

Experience Centre

We're excited to have you explore our 'RPMGlobal Experience Centre', where you'll have the opportunity to engage with our cutting-edge solutions first-hand and connect with our experts and product managers.

Here's how it works:

Visit our Product Booths: The Experience Centre features dedicated booths for each of our key solutions: AMT, MINEPLANNER, XECUTE, and RPM Connect. Each booth is designed to give you an in-depth look at our offerings and allow you to interact with our specialists.

Complete the Activities: At each booth, you'll find engaging activities that showcase the capabilities and benefits of our solutions. Participate in these activities to learn more and earn your stamps.

Get Your Activity Card Stamped: Collect a stamp on your activity card from each booth you visit. Make sure to complete all activities to qualify for the prize draw.

Enter the Prize Draw: Once you have all your stamps, drop your completed activity card into the prize draw box. The draw will take place during the afternoon networking session, where one lucky winner will be announced and awarded the major door prize!

We encourage you to take full advantage of this opportunity to explore our solutions and connect with our team. Enjoy the experience and good luck in the prize draw!

AMT Mobile:

- Complete a checklist in the AMT Mobile app.

MinePlanner:

- Perform a task in SDM
- Edit a strip line in MinePlanner - Steep Coal

XECUTE:

- Download the XECUTE Mobile app on your device.
- Create and schedule an activity area in XECUTE.

RPM Connect:

- Visit the RPM Connect Booth and successfully sign up to RPM Connect.
